

NATIONAL ACADEMY OF SCIENCES OF UKRAINE

**INSTITUTE OF TELECOMMUNICATIONS AND
GLOBAL INFORMATION SPACE**

V.M. GLUSHKOV INSTITUTE OF CYBERNETICS

INSTITUTE FOR ECONOMICS AND FORECASTING

**MATHEMATICAL MODELING
IN ECONOMY**

No. 3-4 (9), July-December, 2017

International scientific journal

Founded in July 2014.

The journal is published 4 volume a year

The journal is included in the List of Scientific Professional Editions of Ukraine which may be published results of Ph.D., Doctorate theses in areas of physical and mathematical, technical and economic science (Order of the Ministry of Education and Science of Ukraine from 09.03.2016. No. 241)

KYIV 2017

EDITORIAL BOARD

Chief editor – **S. O. Dovhyi**, Dr. Phys.-Math. Sc., corresponding member of NASU
Deputy chief editor – **O. M. Trofymchuk**, Dr. Tech.Sc., corresponding member of NASU

The members of the Editorial Board:

V.P. Vyshnevsky , Dr. Econ., full member of NASU	V.A. Pepelyaev , Dr. Phys.-Math. Sc.
V.M. Geetc , Dr. Econ., full member of NASU	V.O. Petrukhin , Dr. Tech.Sc.
L.F. Hulianytskyi , Dr. Tech.Sc.	S.K. Polumiienko , Dr. Phys.-Math. Sc.
Yu.I. Kalukh , Dr. Tech.Sc.	O.G. Rogozhin , Dr. Econ.
Yu.G. Kryvonos , Dr. Phys.-Math. Sc., full member of NASU	I.V. Sergienko , Dr. Phys.-Math. Sc., full member of NASU
S.I. Lewicki , Dr. Econ.	M.I. Skrypnichenko , Dr. Econ., corresponding member of NASU
R.M. Lepa , Dr. Econ.	D.V. Stefanyshyn , Dr. Tech.Sc.
O.O. Lubich , Dr. Econ.	P.I. Stetsyuk , Dr. Phys.-Math. Sc.
V.O. Romanov , Dr. Tech. Sc.	V.O. Ustimenko , Dr. Phys.-Math. Sc.

INTERNATIONAL EDITORIAL BOARD

E.N. Veduta , Dr. Econ., Prof., Russia	V. I. Suslov , Dr. Econ., Prof., corresponding member RAS, Russia
M. Vochozka , Prof., Czech Republic	Yu.S. Kharin , Dr. Phys.-Math. Sc., Prof., corresponding member NASB, Belarus
R. Espejo , Prof., UK	G. Shears , Prof., UK
A. Krajka , Prof., Poland	M. Jachimovich , Dr. Math. Sc., Prof., Full member of the Montenegrin Academy of Sciences and Arts, Podgorica, Montenegro
A. Leonard , Prof., Canada	
P. Mikolajczak , Prof., Poland	
E.A. Nurminski , Dr. Phys.-Math. Sc., Prof., Russia	
V. M. Polterovich , Dr. Econ., Prof., Acad. RAS, Russia	

Recommended for publication by scientific Council of the Institute of telecommunications and global information space of NAS of Ukraine (Protocol № 10 from 15.12.2017)

The journal publishes original articles and reviews, materials of problem and discussion nature, scientific and practical materials on mathematical modeling in different areas of management, informational support of process of modeling and forecasting, development of cybernetic component and the usage of modern hardware and software tools for mathematical modeling.

THE BASIC THEMATIC SECTIONS OF THE JOURNAL

- Informational technologies in economy
- Mathematical and informational models in economy
- Analysis, evaluation and forecasting in economy
- Discussion posts

ADDRESS OF THE EDITORIAL OFFICE:

03186, Kyiv 186, 13 Chokolovsky Blvd.,
Institute of Telecommunications and Global
Information Space of NAS of Ukraine
Phones: (044) 245-87-97; (044) 524-22-62

Certificate of registration
KB № 20259-10659 P , 14.07.2014
The electronic version of the journal in the
Internet www.mmejournal.in.ua
in Ukrainian, Russian and English

CONTENTS

INFORMATIONAL TECHNOLOGY IN ECONOMY

Polumiienko S.K., Gorda S.E. Game-Theoretical Resource Model of Balanced Technological Development.....	4
Veduta E.N., Dzhakubova T.N. Economic science and economic-mathematical modeling.....	10
Kraskevich V.E., Selivanova A.V. Innovation engineering as the instrument of decision-making support.....	23

MATHEMATICAL AND INFORMATIONAL MODELS IN ECONOMY

Makarenko I.P. Modeling of financial flow regulators in systemic macroeconomic environment.....	28
Marko M. Y., Tsegelik H.H. An approximate method for solving assignment problem.....	42

ANALYSIS, EVALUATION AND FORECASTING IN ECONOMY

Stefanyshyn D.V. Improving diagnostic models for forecasting the behavior of dams equipped with automated monitoring systems	50
Kryazhych O.O, Kovalenko O.V. Some of the special features of the tritium migration	62
Kremenovska I.V. Waste management: accounting problem.....	74
Beketova G.M. Modeling of fire suppression in the ecological system of tress and shrubs...	84
ABSTRACTS	91
INFORMATION ABOUT THE AUTHORS	97
