Dear Prof. Peczenik

We are sending you Volume I of Philosophy of Law Issues Journal in with your kindly preliminary consent you are included as a member of Editorial Board as well as other members of IVR Executive Committee (E. Bulygin and others). We would greatly appreciate if you find it possible to discuss the problem of the Journal registration as one of the bodies of IVR at the IVR Executive Committee meeting at the end of May.

We believe that the registration might contribute to elucidation of vital legal philosophical issues by many authors in Europe and worldwide.

In the forthcoming issues of the Journal we are planning to continue publishing the materials of IVR Congresses both in the original and in Ukrainian and Russian translations as well as the articles of German scholars (R. Alexy, for one), authors from Switzerland (M. Rebinder), Poland (W. Zaluski, W. Cyrul, Jagelonian University) and others.

It would be the matter of honour for our Journal if IVR President made an address to its authors.

We are greatly pleased to assert that you are always welcome to publish your articles in the journal.

Sincerely yours,
A. Kozlovskiy.

Dear Professor Kozlovskiy, Dear Ms. Semenova,

At its meeting in Alicante 20-21 May, 2004, the IVR Executive Committee did discuss the Ukrainian Philosophy of Law Issues Journal. Though the Constitution of IVR does not permit establishing semi-official journals of IVR, it allows for official journals of IVR national sections. The Executive Committee fully accepts that the said journal has such a status. Moreover, you are perfectly free to use the IVR logo. You may also publish the fact that the Journal has full acceptance from the IVR Executive Committee as an official journal of your national section.

Best regards
Aleksander Peczenik
