
ERRATUM

Hypoxia-dependent expression of ADAM8 in human pancreatic cancer cell lines. N.V. Valkovskaya. *Experimental Oncology* 2008; **30**: 129–32.

It is requested by author the correction has to be made in her publication as follows.

The text must to be started as

“The here presented data have already been published as original data in another manuscript [1]. In this paper, we further discuss these data in greater detail”.

In the list of references, under the number 1 must be the reference

1. **Valkovskaya N, Kayed H, Felix K, et al.** ADAM8 expression is associated with increased invasiveness and reduced patient survival in pancreatic cancer. *J Cellul Mol Med* 2007; **11**: 1162–74 (formerly [24]).

Then the reference in the paper under number 1 will be under number 2, and so on.

The author regrets that it has not been made clear that the data of the mentioned manuscript were not original but further discussed and detailed.
