TO PROF. DR. VALERI FLYOROV

Dear Prof. Flyorov,

In 2019, the Bulgarian Academy of Sciences celebrates its 150-year jubilee. It is the successor to the Bulgarian Literary Society, founded on October 12, 1869, in the Romanian town of Braila. The establishment of the Bulgarian Literary Society by people who did not come from a sovereign state required great faith and expectations. It was one of the most impressive and important acts of the Bulgarian Revival. After the Liberation of Bulgaria, the Academy of Sciences became a major pillar of the education, the culture and the aspiration for modern scientific achievements in the country.

The governing body of the Bulgarian Academy of Sciences will mark the occasion with a celebration on October 12, 2019.

On behalf of the National Archaeological Institute with Museum at the Bulgarian Academy of Sciences, I am happy to invite you to be an official guest of the celebration. I have also the pleasure to inform you that, due to your significant scholarly contributions and your collaboration with Bulgarian archaeologists, the Academic Board of NAIM nominated you for an honorary member of the National Archaeological Institute with Museum. The diplomas of the new honorary members of NAIM will be officially presented on October 11, 2019, at 6.30 pm. The travelling expenses and accommodation from October 11 to October 13 will be covered by NAIM.

I hope that we will have the honour to have you as our guest.

Yours sincerely,

Dr. Hristo Popov, Associate Professor  
Director of NAIM-BAS
